Important Reminders for Mr. Grossman's classes:

	Don Bosco always said that Parents are the first educators of their children. Please take time each night to look through and check your child's homework. This will help to insure that your child is ready for the next school day.
	Both Class work and Homework are subject to change. Students will be notified during class as to the changes that may take place. Each student is given time at the end of each class to record the homework in his/her planner. Check your son's/daughter's planner to receive the updates.
	Thank you,
	Mr. Grossman
